COMMAND POLICY  
200

IMPC-JA-PW-EM

15 August 2011

MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: U.S. Army Garrison Japan (USAG-J) Energy and Water Conservation Policy

1. REFERENCES:

- a. Energy Policy Act (EPAAct) of 2005.
- b. Energy Independence Security Act (EISA) of 2007.
- c. Executive Order (EO) 13423, Strengthening Federal Environmental, Energy and Transportation Management, 26 Jan 07.
- d. IMCOM Pacific Region Energy and Water Management Policy Guidance, 13 Feb 09.
- e. AR 420-1, Army Facilities Management, 28 Mar 09.

2. PURPOSE: To incorporate the energy and water conservation goals established by EO 13423, EPAAct 2005 and EISA 2007 into the existing installation management structure.

3. APPLICABILITY:

- a. This policy applies to all military personnel, civilian employees, Master Labor Contract employees, Indirect Hire Agreement personnel, tenants and contractors working or residing on USAG-J installations for at least five consecutive days.
- b. Dissemination of this policy will be provided through e-mail, base newspaper, Command Channel and internet (<https://intranet.zama.army.mil/cmdstaff/usagj/pw/energy.aspx>).

4. ENERGY and WATER CONSERVATION POLICY:

- a. USAG-J strives to be a leader in environmental, energy and natural resources stewardship. USAG-J will develop and manage programs and plans necessary to meet its responsibility to conserve resources, enhance environmental sustainability and protect human health.

IMPC-JA-PW-EM

SUBJECT: U.S. Army Garrison Japan (USAG-J) Energy and Water Conservation Policy

b. Leaders at every level are required to implement five major initiatives to include eliminating waste in existing facilities, increasing energy efficiency in new construction and renovations, reducing dependence on fossil fuels, conserving water resources, and improving energy security. Find the most cost effective financing alternatives to fund energy conservation and efficiency measures to include Sustainment, Repair, & Modernization (SRM), Military Construction (MILCON), and alternative-financed programs with third party financing.

c. USAG-J will develop adequate energy staffing and support, and investing in effective training and professional development.

5. COMMITMENT: USAG-J is committed to providing safe, secure, compliant, and cost-effective energy and water services to Soldiers, Families, civilians and contractors on our installations while meeting or exceeding the various Federal energy goals and mandates by:

a. Reducing total facility energy intensity by 3% per year thru FY2015.

b. Increasing percentage of electricity coming from renewable sources.

c. Reducing total water intensity by 2% per year thru FY 2020.

d. Metering all facilities by 2012.

e. Conducting energy and water audits for 25% of facilities annually.

6. The point of contact is Chief, Environmental Division, Directorate of Public Works (DPW) at 263-3544.

7. This command policy supersedes USAG-J Command Policy 24, 29 Apr 11.

8. This command policy will expire when superseded or rescinded.

  
ERIC D. TILLEY  
COL, AG  
Commanding
